## THE CHINA REVIEW.

PUBLISHED BI-MONTHLY.

THIS Review, which was intended to meet

the wants of many students of China

caused by the discontinuance of "Notes and

Querries on China and Japan," has reached its

Twenty-second Volume. The Review dis-

cusses those topics which are uppermost in

the minds of students of the "Far East," and

about which every intelligent person con-

cerned with China or Japan is desirous of

acquiring trustworthy information. It in-

cludes many interesting Notes and original

Papers on the Arts, Sciences, Ethnology,

Folklore, Geography, History, Literature,

Mythology, Natural History, Antiquities,

and Social Manners and Customs, etc., etc.

The Review is published by the British Gov-

ernment, and is printed at Hongkong.

The Review department receives special

attention, and endeavours are made to

present a careful and concise record of
